

Dear Members of the

Gallery Seba is pleased to announce the International Izmir Art Biennial, which will bring artists around the world and their works together on May 3 - 6, 2019, in Izmir, Turkey.

We will be honored to see you as a part of International Izmir Art Biennial, in which we aim to leverage the power of art to bring different cultures together and provide people with contrasting values a common ground for sharing.

For artists who want to take place in International Izmir Art Biennial with their works of visual arts, necessary documents for pre application are listed below. Pre applications must be submitted both digitally and printed. Deadline for pre application is 1 May 2018. Printed documents must have arrived to the addresses given below until this date. Following the end of the pre application period, the artists selected by the biennial committee will be provided with the terms of contract, detailed information on participation fees, shipping and other issues. The results of the selection will also be announced on our website.
